

# PERGOLA LIBENDE 3X4MT - H 2.28MT

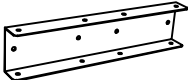

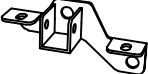

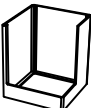

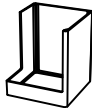

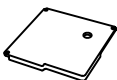

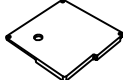

## Istruzioni d'uso e avvertenze:

Leggere attentamente e conservare per qualsiasi riferimento futuro.

- Assicuratevi di avere tutti gli strumenti necessari per montare la vostra pergola.
- Indossare guanti e occhiali di protezione durante il montaggio.
- Scegliere un luogo appropriato: il terreno deve essere solido e piano, il suolo deve essere livellato, senza alberi o linee elettriche sospese sopra. Anche i piccoli sassi possono ostacolare il corretto fissaggio della pergola al suolo. Se la pergola viene installata su una superficie irregolare, potrebbe essera compromessa la stabilita' e la durata.
- Non forzare i collegamenti.
- Il fornitore non si assume alcuna responsabilit  per i danni causati da qualsiasi tipo di intemperie e da un'installazione non corretta.
- Tenere lontano dalle fiamme.
- Fissare i piedi al suolo una volta che la pergola   completamente montata.
- Non montare la pergola in passaggi ventosi e con forte vento.
- Non installare la pergola vicino a sorgenti di calore o elementi incandescenti. Non posizionare mai dispositivi di cottura nelle immediate vicinanze.
- Non modificate la struttura del prodotto.
- Non permettere ai bambini di giocare con il prodotto.
- Non appendere altri prodotti sulla struttura.
- Non lasciare mai che acqua o foglie si ammassino sul tetto. La struttura si potrebbe piegare.
- In caso di tempesta, non restare sotto alla pergola.
- Non toccate le parti in movimento durante il funzionamento.
- Non appoggiate nulla sulle lamelle.
- Non salite sulle lamelle.
- Non azionate il meccanismo del tetto in presenza di gelo o ghiaccio, poich  potrebbe danneggiare il sistema di azionamento delle lamelle.
- Per uso domestico
- Le foglie o altri corpi estranei presenti sulle lamelle o nei binari di guida devono essere rimosse regolarmente per evitare danni alla pergola
- In caso di vento o neve, posizionate le lamelle in verticale per evitare che si danneggino.

#### PULIZIA E MANUTENZIONE DEL PRODOTTO:

- Non usare mai prodotti chimici aggressivi o solventi per pulire il prodotto.
- Per pulire la pergola utilizzare una miscela di acqua e detergente
- La polvere e lo sporco si accumulano sulla pergola e devono essere puliti periodicamente.
- Rimuovere regolarmente foglie e/o acqua dal tetto.
- Asciugare all'aria o con un panno morbido e pulito.
- Quando la temperatura è inferiore a 0°C/32°F, si consiglia di utilizzare il prodotto meno frequentemente per prolungarne la durata.
